

3.13 The Integumentary System

3.13 The Integumentary System online module forms part of the **3.0 Working with Healthcare Professionals course** and aligns to VET competency *HLT401A Confirm Physical Health Status*.

Working with Healthcare Professionals

Medical technology industry staff often need to work directly with healthcare professionals. A range of skills, knowledge and understanding that respond to the needs of healthcare professionals is required.

What is the Working with Healthcare Professionals Course?

The *Working with Healthcare Professionals* course supports medical technology industry employees needing to interact with healthcare professionals.

There are 20 modules within this course.

- 3.1 Understanding Medical Terms (online)
- 3.2 Language of the Human Body (online)
- 3.3 Infection Prevention (online)
- 3.4 Hospital Protocols (online)
- 3.5 Introduction to Operating Theatre Protocols
- 3.6 Operating Theatre Protocols Update (online)
- 3.7 Professional Conduct (online)
- 3.8 Patient Privacy and Confidentiality (online)
- 3.9 Introduction to Anatomy and Physiology (online)
- 3.10 The Cardiovascular System (online)
- 3.11 The Digestive System (online)
- 3.12 The Endocrine System (online)
- 3.13 The Integumentary System (online)
- 3.14 The Lymphatic System (online)
- 3.15 The Muscular System (online)
- 3.16 The Nervous System (online)
- 3.17 The Reproductive System (online)
- 3.18 The Respiratory System (online)
- 3.19 The Skeletal System (online)
- 3.20 The Urinary System (online)

A photo ID will be provided upon successful completion of modules 3.5 and 3.6.

For further information about MTAA courses, please contact the Professional Development Manager on (02) 9900 0650 or email pd@mtaa.org.au

What topics are covered in this module?

This self-paced online module aligns to VET competency *HLTAP401A Confirm Physical Health Status* in the HLT07 Health Training Package and familiarises participants with the anatomy and physiology of the integumentary system.

Learning outcomes

- Understands the anatomy and physiology of the integumentary system
- Recognises common disorders of the integumentary system
- Recognises supportive medical technology.

Content was developed in 2008 by Learning Innovation and Development, Holmesglen TAFE, with funding provided by the Victorian Department of Innovation, Industry and Regional Development (DIIRD). Copyright is owned by the Commonwealth of Australia.

Recognition of Competency

For information on how to complete an assessment that will lead to a Statement of Attainment for competency HLTAP401A, please contact MTAA.

Who should participate?

Staff working with healthcare professionals who are not from a healthcare or science background should participate. The recommended pre-requisite training for this Level 1 module is 3.9 *Introduction to Anatomy and Physiology*.

How much does it cost?

The cost to complete this online module is \$145. The complete Anatomy and Physiology Series (*modules 3.9 - 3.20*) can be completed for \$1100.

How do I register?

Please visit *Training* under *Professional Development* on the MTAA website www.mtaa.org.au to register.
