For further information about MTAA courses, please contact the Professional Development Manager on (02) 9900 0650 or email reception@mtaa.org.au

What topics are covered in the *Introduction to Operating Theatre Protocols* module?

This assessed introductory module provides theoretical and practical training for personnel who are new to the perioperative environment.

Learning outcomes

- Learns aseptic techniques and associated principles of practice
- Understands the principles of infection control
- Investigates the handling of accountable items
- Explores OH&S issues
- Examines patient privacy and confidentiality requirements.

Who should participate?

Medical technology industry personnel who are new to the perioperative environment should attend this Level 1 module. Modules 3.1 and 3.2, or 3.3 are recommended complementary training for those not from a science or health background.

How much does it cost?

The cost of this one-day module including GST is \$950 for members and \$1500 for non-members.

How do I register?

Please visit *Professional Development* on the MTAA website www.mtaa.org.au to access course information and register for the training. Places are limited.

Following registration, participants will be forwarded a program. Participants will receive a *Certificate of Participation* and photo ID upon completion.
