What topics are covered in this module?

This self-paced online module provides a review of the 2010-2011 ACORN Standards and an opportunity to investigate industry issues relevant to the perioperative environment.

Learning outcomes

- Reviews changes to the 2010-2011 ACORN standards for visitors to the perioperative environment
- Explores relevant changes in policy
- Investigates topical issues and industry based challenges of the perioperative environment
- Revises the routine social hand wash.

Who should participate?

Medical company representatives who are experienced in the perioperative environment should complete the training. Modules 3.1, 3.2, 3.3, 3.4, 3.7, 3.8 and 3.9 are complementary training for this Level 2 module.

While module 3.5 is the recommended pre-requisite training, it is not required. Substantial industry experience within the perioperative environment is considered sufficient prior learning.

How much does it cost?

Fees commence at \$165 per person. To view the fee sliding scale for MTAA members and non-members, please visit the MTAA website.

How do I register?

Please visit *Training* under *Professional Development* on the MTAA website www.mtaa.org.au to register. Participants will receive a *Certificate of Participation* and photo ID card upon successful completion of the training.
