

## MTAA Member In-house Training Fees

The following flat rate fees are available for member companies. Two flat rates apply, regardless of the number of participants within each category.

When hosting in-house training, the company is responsible to coordinate and provide all flights, accommodation, meals, transport and out of pocket expenses of the facilitator(s); and venue, catering and equipment. Where possible, these should be paid directly by the company. Any out of pocket expenses will be invoiced separately following the training. A maximum of twenty (20) participants may attend each workshop.
