Meet the Cyber Security Experts

Dr Rob Grenfell - Director, Health and Biosecurity Business Unit CSIRO

Dr Rob Grenfell, a Public Health Physician, is the Director of CSIRO's Health and Biosecurity Business Unit. Leading a broad portfolio covering Nutrition, eHealth, MedTech and Diagnostics and Biosecurity from weeds to Ebola. Rob has broad ranging public health experience including; National Medical Director at BUPA Australia New Zealand National Director Cardiovascular Health at the Heart Foundation Strategic Health Advisor to Parks Victoria Senior Medical Advisor at the Department of Health Victoria Physician in charge of travel health BHP General Practice He was a member of the Safety and Quality Outcomes Committee of the Hospital Innovation Reform Council, a member of the Victorian Quality Council, Chair of General Practice Victoria, and Member of the Health Advisory Committee of the National Health and Medical Research Council.

Michelle Price - Chief Executive Officer AustCyber - the Australian Cyber Security Growth Network Ltd

Michelle Price is the CEO for AustCyber. She was the inaugural Chief Operating Officer of AustCyber, joining the company in January 2017 and appointed as CEO in April 2018. Prior to joining AustCyber, Michelle was the first Senior Adviser for Cyber Security at the National Security College within The Australian National University, where she established an integrated approach to the College's cyber security program across executive and postgraduate education and policy engagement.

Before joining the ANU, Michelle was with the Australian Government Department of the Prime Minister and Cabinet (PM&C), where she was instrumental to the delivery of the Australian Government's 2015 Cyber Security Review and Cyber Security Strategy. In a previous role at PM&C, Michelle delivered the National Security Strategic Risk Framework (the first of its kind in the world) and Coordinated National Security Budget. Prior to PM&C, Michelle worked in several strategy and risk roles across Government, having moved to the public service from the communication and media sector and the food safety segment of Australia's food manufacturing sector.

Michelle is passionate about Australia's cyber security sector enabling all Australian organisations to grow and take advantage of the cyber world. She is also a strong advocate for increasing diversity in the cyber security workforce and helping people be inspired by the possibilities of cyber innovation. AustCyber was established in 2017 as part of the Australian Government's Industry Growth Centres Initiative and announced both as part of the Government's National Innovation and Science Agenda and Australia's Cyber Security Strategy.

Meet the Cyber Security Experts

Dr Dan Grant - Managing Director & Chief Executive Officer MTPConnect

Dr Dan Grant has spent more than 25 years in senior roles in the pharmaceutical, higher education and medical research sectors. Prior to joining MTPConnect, Dr Grant was the inaugural Pro Vice Chancellor for Industry Engagement at La Trobe University where he had oversight of the university's innovation, commercialisation and industry engagement activities.

He was also the Senior Director and Head of Pfizer's External Research and Development Innovation group for ANZ/Singapore and their head of open innovation. Dan also sits on the Expert Advisory Panel for the Stem Cell Mission. He has a PhD in Cardiovascular Physiology and an MBA.
